## Frequently Asked Questions

### What are GoodRx coupons?

GoodRx coupons will help you pay less than the retail price for your prescription. They're free to use and are accepted at participating pharmacies in all states and Puerto Rico.

### How do I use a GoodRx coupon?

It's similar to using a coupon at a grocery store. Just show it to the pharmacist when you pick up your prescription. The pharmacist will enter the numbers on the coupon into their system for the discount.

### What if my pharmacy cannot process this coupon?

This coupon is valid at participating pharmacies in all states and Puerto Rico. If your pharmacy is in the network but unable or unwilling to process your discount, please have the pharmacist call the number on the coupon.

### Can I use this coupon if I have health insurance?

The price on the GoodRx coupon may be lower than your health insurance co-pay, but the coupon cannot lower your co-pay. Ask your pharmacist to help you find the best possible price.

## Remember... this coupon:

- Will work at other pharmacies (price may vary)
- Can be used for all of your family's prescriptions
- Has no fees or obligations — it's free to use

### For the pharmacist

This coupon displays a contracted rate based on agreements between your pharmacy or purchasing group and a Pharmacy Benefit Manager (PBM).

Please use the above BIN, PCN and Group number to adjudicate.
